

FLOW

PRODUCT CATALOGUE 2020

Celebrating The art of hookah

For us, smoking shisha is about taking the time to slowdown and appreciate life. It is a time where cultures meet and people from all walks of life come together.

Pausing for thought and contemplation, taking the opportunity to reveal the deeper connections in life - links between the past and the new, ties between friends and strangers, bridges between generations.

FLOW TOBACCO

Over the course of five years of R&D, Flow has focused on bringing the finest and one-of-a-kind quality Hookah tobacco products.

Offering unique flavors, the brand takes an above-and-beyond approach to provide a large and broad spectrum of hookah enthusiasts, an exceptional smoking experience.

Proud of our Middle Eastern heritage and our place in the growing Shisha community around the globe.

By innovating flavors, providing unmatched quality and setting the standard in service, Flow is creating a following like no other from every corner of the world.

One difference, Flow brings the past, the tradition, the pure ways of the best hookah tobacco and products without the commercial shortcuts. Setting forth what hookah experience should be, about nothing short of the best hookah tobacco.

TWO APPLE

50gr. | 100gr. | 250gr. | 500gr. | 1kg.

The Don of tobacco flavors, bold, crisp and smooth all at the same time. A refreshing apple overload and rich molasses to entice your senses in the best possible way with a distinct black licorice taste.

APPLE

50gr. | 100gr. | 250gr. | 500gr. | 1kg.

A mellow, fruity, fresh flavor of the classic Apple “Bahraini” tobacco. It’ll have you daydreaming about the island that it is. Sitting under the tree of life. While most apple flavors contain hints of anise (licorice), Bahraini Apple will be much lighter on these unmistakable flavors.
